Welcome to Downey School

Hello and Welcome to Downey School! Downey School is off to a great start this year as we CHARGE towards academic and social growth. I would like to thank the students, parents, family members, and our staff for a great first week of school. As we move forward with the school year, we will continue implementing positive changes such as The Leader in Me and Together for Tomorrow initiative. Students will have the opportunity to take leadership roles throughout the

school year. Thank you again for a great first week and I look forward to a new and exciting school year.

On Monday, August 12, Downey School held a ribbon cutting to celebrate the beginning of the new school year under the Together for Tomorrow Initiative as a Leader in Me school. Superintendent Dr. Sybil Knight-Burney, Principal Travis Peck, and Messiah College's Dr. Donald Murk opened the school for the student and the excited staff. We all look forward to a great year here at Downey.
