Recommendations – Near-Term Need

**Generate new revenue to stabilize
Pennsylvania's transportation system**

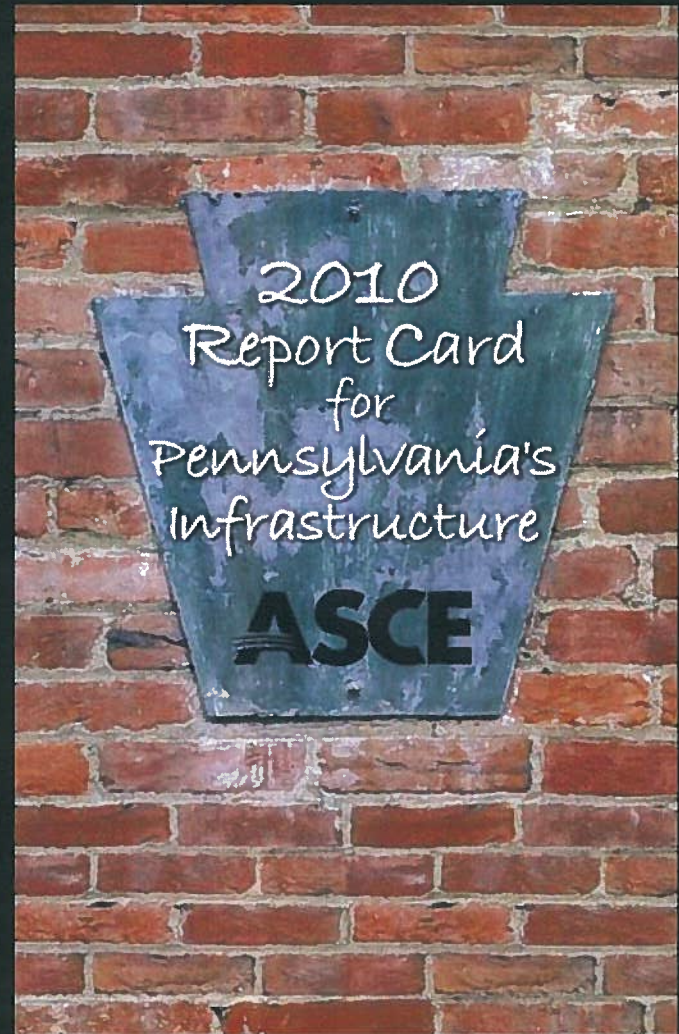

- \$500 million funding gap
- Begin a phased, long-term strategy

Recommendations – Longer-Term Need

- Establish a new transportation funding framework to ensure sustainable mobility.
- Predictable and sustainable
- Major elements:
 - More direct User Pay system – VMT Fee
 - Tolling Options
 - Public-Private Partnerships
 - Strategic Borrowing
 - Local Option Taxes
